FOR THE ALUMNI OF SAINT JOSEPH'S COLLEGE

October 1961

Vol. 24 - No. 1

## John Richert Named As Alumni Head

Mr. John L. Richert, '53, was appointed as the new Director of Alumni Affairs. Jack's appointment was announced late this summer by the Rev. Raphael H. Gross, C.P.P.S., President of St. Joseph's College.

Jack graduated from St. Patrick's Central High School, Kankakee, Illinois in 1949 and from St. Joseph's College in 1953 with a B.A. degree in Social Sciences.

Upon graduation from St. Joseph's, Jack served in the Adjutant General's Corp of the Army from 1953 to 1955.

After his departure from the Army, he entered the School of Law, Valparaiso University and received his Law Degree in June, 1960. For the past year he has been engaged in the general practice of law in Winamac, Indiana where he resides with his wife, the former Barbara King, and four children.

## 1055 New Students; 9 New Faculty

Approximately 1,055 students and nine new faculty and staff members began classes Thursday, Sept. 14, 1961 at St. Joseph's College. Although official figures are not yet available, some 420 of this year's students are freshmen.

St. Joseph's 71st school year officially began Wednesday night with the traditional solemn High Mass in the fieldhouse. The Mass was celebrated by the Very Rev. Raphael H. Gross, C.P.P.S., who is beginning his 11th year as president of the college.

Nine new faculty and staff members have joined the college this year.

Dr. Joseph M. Curran, who received his M.A. and Ph.D. degree in history from the University of Chicago, is an instructor in history. Dr. Curran was a Fulbright scholar at Queen's University in Ireland in 1958-59.

The Rev. Philip F. Gilbert, C.P.P.S., will be an instructor in mathematics. He graduated from St. Joseph's in 1952 and attended the University of Detroit last year.

Peter E. Kane, who received his M.A. from the University of California in 1960 has joined the faculty as an assistant professor of speech.

Andrew G. Mehall, who received his M.S. from Syracuse University this past year, will be an instructor in biology.

Donald Merki, former basketball star at St. Joseph's, will teach in the physical education department and has also been appointed head baseball coach, assistant coach in football and basketball and intramural director. Merki received his M.S. degree in health

## "Summertime 1961"

People moving in, people moving out — "watch out Sister, you'll fall in the pond" — ask Father Heiman, if he doesn't know, no one will. "Three-hundred pound football players eating tons of ice cream."

These are just a few of the sights and sounds that could be seen and heard this past summer on the St. Joe campus.

It began with the June 4 graduation of the class of '61. From then until September there was a continual bussel of coming and going.

June 5 found the coming of the C.P.P.S. Junior Clergy. These Priests are the newly ordained of the Society and up to five years after ordination return annually to St. Joseph's for advanced studies.

On the 9th of June, the Midwest Chapter of Alcoholic Anonymous held their annual retreat at St. Joe. Father Prau, author of the book "Prodical Sheppard" which was featured in serial form in Look magazine, was the moderator of the retreat.

The Seminary students from Xavier Hall held their annual Parent's Day Program, June 10 and 11. More than two-hundred parents and relatives enjoyed the festivities which included a Talent Show the evening of the 10th, a Community Mass, steak fry, and a father-son softball game on June 11.

As the Xavier Parents moved out, the Priests from the Diocese of Gary moved in. With the Priests came their Bishop Andrew Grutka, who served as retreat master. Not only did the priests enjoy a fine retreat but they also got in a lot of softball playing. League standing at the end of the retreat was something like — Xavier Seminar-ians, 2 games and Gary Priests, 2 games.

June 15 brought three hundred members of the sorority, Psi Iota Xi, to St. Joe for their annual national convention.

Board of Directors meet at St. Joe

In September, the Board of Directors of the Saint Joseph's College Alumni Association met at Saint Joseph's with the President, Joseph McGrath presiding.

The meeting lasted most of the day and problems of various nature were discussed and acted upon. It was decided that Contact would be printed by the Messenger Press at Carthage, Ohio. It was explained that it would be a considerable saving by having the paper printed at Carthage. The new constitution was approved and will take effect February 1, 1962.

The board agreed that the Alum-

### TO THE ST. JOE MONOGRAM ALUMNI

It is a pleasure for me as Athletic Director of St. Joseph's College to invite all former monogram winners to the St. Joe Athletic Contests this year.

If you can attend, please write to me or call at my office in the fieldhouse for your ticket.

Richard F. Scharf  
Director of Athletics

The Society of the Precious Blood started their annual retreats at St. Joseph's on June 19. These retreats continued until July 14 with more than three hundred Priests participating.

Summer school began June 19 and on July 28th 33 graduating seniors became alumni at the St. Joseph's College Chapel.

The Baccalaureate Mass was celebrated by Father Henry Martin, director of the Calumet Center. Father Martin also gave the Baccalaureate address. Presiding at the Mass was Father Gross, President of St. Joseph's. Father George Lubeley, director of the summer session, conferred the degrees.

Of the thirty-three graduates, thirteen were Sisters belonging to four different religious communities.

From June 26 to June 29 St. Joseph's entertained some of the most prominent leaders in the field of news media. The National Catholic Communication Seminar provided a faculty of thirty-two people both lay and religious. This faculty included top names in T.V., Radio, Newspapers, and Public Relations Firms.

July 14 brought with it "Mr. Papa Bear himself," George Halas, and all the little Chicago Bears. These gentlemen of the touchdown and field goal at once took control of Halas Hall, the dining room, and the football field. On a beautiful August 3, the Bears played the College All-Stars to a 14 to 14 tie. Close to 1200 attended including most of the Sisters in summer school along with many sport writers, coaches, and players.

## C.P.P.S. Celebrate 100th Year

Newly remodeled chapel at the C.P.P.S. motherhouse, Carthage, Ohio

The missionary Society of the Precious Blood, who founded St. Joseph's College in 1891, celebrated the one hundredth anniversary of the foundation of its major seminary and motherhouse at Carthage, Ohio, October 10th this year.

There is an interesting sidelight on the celebration, in view of the fact that 1961 is also the centennial year of the Civil War. When the Reverend Joseph Dwenger, C.P.P.S., later the second bishop of Fort Wayne, Indiana, bought the place for the Society in 1861, it was known as the "Emmen Institute" — a manual training school for liberated slaves. Previous to this date, it was one of the way stations for the underground railroad for freed slaves traveling north for rehabilitation.

A highlight of the celebration was the dedication of the newly remodeled seminary chapel and of the newly constructed infirmary and refectory buildings on the campus. Bishops from the thirty-nine dioceses where the Society's priests and brothers work attended along with other priests, brothers and sisters, representatives of religious orders over the country. More than seven thousand laymen also attended.

For the past one hundred years, St. Charles has been the focal point of all the activities of the Society of the Precious Blood in America. Seminarians study six years here in preparation for the Roman Catholic priesthood after completing four years of high school in the Society's minor seminary near Canton, Ohio, two years of college at St. Joseph's College, Rensselaer, Ind., and a year of novitiate near Burkettsville, Ohio. The seminary presently houses about eighty students, thirty brothers, and thirty priests.

The founder of the Society, recently referred to by Pope John XXIII as the "founder of Catholic Action," is St. Gaspar del Bufalo, a diocesan priest of Rome. The date of foundation is Assumption Day, August 15, 1815. Incidentally, the seminary chapel is under the patronage, as are all the chapels of the Society, of the Assumption of Our Lady.

Under Father DeSales Brunner,

the Society came to America in 1844 by way of trans-oceanic ship to New Orleans and up the Mississippi and Ohio rivers to Cincinnati where they were received by Archbishop Purcell, then ordinary for the state of Ohio. The area now dominated by the massive buildings and plans of the major Seminary of St. Charles, Carthage, was assigned soon afterwards. The present main building of the seminary was erected in 1922; the infirmary, refectory-auditorium buildings were completed in 1959, and the chapel was remodeled completely in 1960-61. These latter were dedicated as part of the Centennial celebration.

Now the Society serves twenty-one States and South America, for over thirty-five archdioceses and dioceses, with its own seminarians, a college and many parishes and chaplaincies throughout the country.

## McCarthy Named President of JC's

William J. McCarthy '58, 25, made the headlines recently in the Burlington (Wisconsin) Standard Press. The young assistant manager of Montgomery Ward and Company in that city was installed as first president of the newly organized local Junior Chamber of Commerce.

A graduate of Fenwick in 1954 and in 1958 from St. Joseph's, McCarthy received his Marine Corps training in Camp LeJeune, N.C., and Parris Island, S.C. He is the son of Mrs. Bridie McCarthy and the late William McCarthy, former Chicago police officer and army war veteran.

With him in Wisconsin are his wife, the former Mary Patricia Murphy and their seven month-old daughter, Katie.

## We Hear . . . .

### From

Gentlemen:

*In reference to your item "Is Your Record Up To Date" appearing in the recent issue of Contact, thought we would do just that. After leaving St. Joe's in '52 I went to The Pennsylvania State University, studied there a year until my friends and neighbors requested that I spend a couple years with the Army. Returned to Penn State in '56 with a B.S. in Petroleum and Natural Gas Engineering. After graduation took a position as Sales and Service Engr. with the Shafer Valve Co. of Mansfield, Ohio. Three months ago I was elected President of the Shafer Valve Co., Inc. We reside at the address below with our son Sean Patrick. My wife, Marilyn, was the former Marilyn Jeanne Corso, of Sandusky, Ohio.*

*We look forward to receiving Contact, and if any St. Joe alumni are ever in this area we would be very disappointed if they didn't stop in at the J&M Ranch.*

*Very truly yours,  
James F. Carrigan, X'54  
Rural Route No. 1, Rt. 178  
Mansfield, Ohio.*

\* \* \* \* \*

*Just a note to inform your office of a change of my address.*

*In April my assignment was changed from Assistant pastor at St. Thomas Church, Ft. Thomas, Kentucky to Pastor of St. Patrick Church, Mount Sterling, Kentucky.*

*Mount Sterling is a typical small Kentucky Community. Faith-wise this area must, indeed, be considered our "home missions." Our crying need at St. Patrick parish is to build a little four room school in order to give the children an opportunity of learning more about their precious Faith.*

*Regards to the Fathers at the College.*

*Father David H. Zaumeyer, X'45  
St. Patrick Church

*In November of 1960, I transferred from the Field Audit Division of the Internal Revenue Service to the Intelligence Division of the Internal Revenue Service. My present title is "Special Agent," U.S. Treasury Department, Intelligence Division, Internal Revenue Service. Up until November of 1960 I was an Internal Revenue Agent with the Internal Revenue Service.*

*On April 21, 1961 I completed Treasury Law Enforcement Officer's Training School in Washington, D.C. This course lasted for a period of six (6) weeks.*

*On June 23, 1961 I completed Special Agents Basic Training School in Washington, D.C. This course lasted for a period of seven (7) weeks.*

*At the present time I am stationed at the Chicago Office of the Intelligence Division of the Internal Revenue Service.*

*John M. Walsh, '58

*At present I am serving a two year term of duty with the army. I am now doing audit work for the comptroller's office of the 12th U.S. Army Security Agency Field Station, Chitose, Hokkaido, Japan.*

*I plan to return to the States between August and October, '62 and work on my Masters degree. Before being drafted, I was employed by the Hertz Rent-A-Car Corp. of New York and Chicago as an assistant supervisor of the Subsidiary Accounting Dept.*

*I would like to hear from any other of my alumni friends and find out what they are doing. I can be reached at my old home address, where my mail will be forwarded or at the following army address:*

*PFC Richard E. Gallo US 55701070

## Mr. Richard Scharf Named Athletic Director

Dick Scharf, well-known and held in high regard by all the alumni, was appointed Athletic Director this summer by Father Gross, President of Saint Joseph's.

Most of Dick Scharf's life, since graduating from high school, has been spent at St. Joseph's. As a student at St. Joseph's, Dick was a triple threat competitor winning 11 varsity letters in football, basketball, and baseball. He was named to the College All-State Football Team, nominated for participation in the Chicago Tribune's All-Star game of 1938, led the basketball team in scoring for 3 years, and served as captain of the basketball team in his junior and senior years.

Dick started coaching at Saint Joseph's in 1940 and during that same year was married to Kay Enright of Hammond, Indiana.

Dick was second football, basketball, and baseball coach at St. Joseph's. During the 1952-53 basketball season, the team won the co-championship of the conference and Dick was named 'Coach of the Year' in the conference.

In 1955, Mr. Scharf took a leave of absence for a year and finished his course work for a Doctor's degree in Health & Safety at Indiana University. Since 1956, he has served as Chairman of the Physical Education Department, and the past year, as Chairman of the Faculty Committee on Athletics, and as Faculty Representative in the Indiana Intercollegiate Conference.

After returning from graduate school, Dick accepted the position of Director of Placement. Various offices in which he has served in the past three years include: President of the Indiana College Health Association, President of the Indiana Institutional Teachers Placement Association, and Chairman of the Health Section, Indiana Association of Health, Physical Education, and Recreation. Mr. Scharf previously served as Assistant Athletic Director under Father Norman Heckman.

Mrs. Scharf is seen almost every day on campus and the Scharf's three children: Richard 20, in his junior year at the U.S. Military Academy; (Last year Richard ran the outdoor and indoor high hurdles for Army and won a varsity letter in track). Maureen, 17, a senior at Rensselaer High School; and Steve, 14, a freshman at Rensselaer High School.

## Glee Club Have Busy Schedule

The 1961 graduation left the St. Joseph's College glee club with a number of vacancies but these were very adequately filled the first couple days of school when about seventy freshmen applied for admission into the club. Thirty neophytes were accepted, bringing the total membership to 65. Of the thirty new members about ten have sung solos in the past. With this amount of experiences and quality the glee club should have a good year.

One thing is sure. It will be a full year. The Glee Club has received invitations from a number of sources to present concerts or combined concerts. These include: Alverno College, Milwaukee, Wisconsin (Christmas concert planned); Barat College, Lake Forest, Illinois (Christmas concert planned); St. Mary's College, Notre Dame; St. Francis College, Fort Wayne; St. Mary's of the Spring College, Columbus; Maryville College, St. Louis; and Sacred Concert for installation of new organ, Burkettsville, Ohio.

The glee club will make its first appearance October 22 for the President's Reception. This has become a traditional opening public appearance of the college glee club and band.

The first off campus engagement planned will be in October — the Burkettsville concert. The date is not settled. The 'Singing 17' will handle this engagement.

The first full evening engagement on campus will be November 18th, 7:15 in the evening. This will be a combined concert of light numbers presented by the St. Joe Gleeman and the Minster, Ohio Choir under the direction of Luke Knapke, '38. (Father Heiman and Mr. Knapke were classmates at St. Joe.)

Alumni are always most welcome to attend our concerts. And we shall be happy to renew acquaintances if they will be kind enough to come back stage after the concert.

## New Admissions Director at S.J.C.

Rev. William D. Shields, C.P.P.S.

August 30, 1961 saw Rev. William D. Shields, C.P.P.S. assigned to the office of the Admissions Counselor at St. Joseph's. Father Shield's previous assignments included four years in high school and parish work in Ottawa, Ohio, mission work in Oklahoma, and parish work in Fort Wayne, Indiana, and St. Marys, Ohio.

Father Shields was born in Buffalo, New York; attended Brunerdale Seminary, and St. Joseph's College; and was ordained nine years ago at St. Charles Major Seminary.

Father Shields succeeds Rev. Richard Baird, C.P.P.S. Father Baird is now Assistant Pastor at St. Anthony's Church, Falls Church, Virginia.

## Puma Gridders Can't Find Pay Dirt

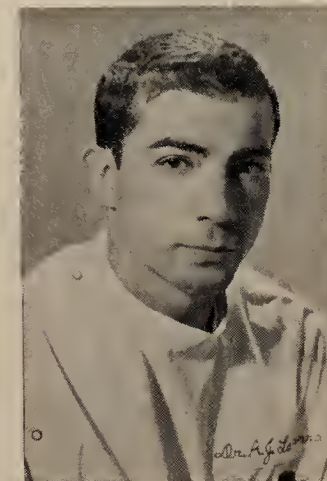

The Pumas gridders, so far this year, have gotten off to a slow start in the win column. The opener of the season saw the Pumas meet Hillsdale College in a rough and well-played ball game. Hillsdale, one of the best small college teams last year, fought the Pumas to a 28 to 7 win.

On Saturday, Sept. 23, the Pumas met the Valparaiso Crusaders in near gale weather at alumni field. The Pumas encountered trouble both with the wind and their own offense attack. Because of the wind swept field, passing was futile. Valpo relied on their rugged line and power running to top the Pumas 16-6.

Oct. 7 the Pumas met the Evansville Aces at Bosse Field at Evansville. The Pumas, with Denny Mudd switched from the line to fullback, held the Aces to a 3 to 0 lead during the first half. St. Joe scored in the third quarter, after Evansville, to make the score 9 to 7. The Aces scored again in the fourth quarter and in the last few minutes of the game co-captain, Denny Mudd, carried the ball 53 yards for a touchdown. The final score was the Aces, 15 — St. Joe, 13.

SUMMERTIME (Cont. from P. 1)

The campus was taken over on August 5 by close to six hundred members of the Young Christian Workers.

This convention was a nationwide affair. Forty-eight of the fifty states were represented. Fifty-three of America's largest cities sent delegates along with the countries of Nigeria and the Philippines.

Bishop Leo Pursley, Msgr. Reynold Hillerbrand, Father Bernard Cooke, S.J., Father Edward Conway, S.J., and Mr. R. Sargent Shriver were just a few of the people giving symposiums during the six day convention.

The second session of St. Joseph's Institute of Liturgical Music was held on the campus June 19 - July 28.

Forty-seven students were enrolled in this, the second year of the program. The students represented twelve states and Canada.

The National Catholic Music Education Association held their second of three summer workshops August 20-27 on the St. Joe Campus.

This workshop is held over a period of three summers in intermediate, and advanced band and orchestra. Satisfactory completion at the end of three summers entitles the student to a credit of six hours in Instrument Music Methods.

Fifty students attended the workshop this summer. All fifty were Sisters belonging to a number of different Religious orders.

From August 27 to August 31 St. Joe played host to some five hundred delegates of the Young Christian Students.

As the YCS departed, summer activities came to a close at St. Joseph's. An unofficial three thousand people from the United States and the world had passed through St. Joe in one official capacity or another during the summer. Business was conducted and recreation enjoyed and certainly the beauty and hospitality of St. Joseph's College will be talked about very often during the course of events.

## Washburn Hall Remodeled

Over \$35,000 dollars worth of remodeling in Washburn Hall highlighted the college's summer improvements program. Aquinas hall, the fieldhouse, the pond and several classrooms also received their share of attention.

The interior of Washburn was completely torn out, then new walls, chimneys and a new stairway were built. The building's front porch was enclosed and will be used as a lounge. The hall will now house 41 students as compared to its capacity of 27 before remodeling.

Aquinas hall was remodeled and repainted. Several rooms on the third floor were enlarged and new doors were installed.

The fieldhouse received a new coat of paint and different color scheme.

The pond in front of the administration building was drained and sealed and generally improved.

Several classrooms were repainted and acoustical ceilings installed.

. . . . . (While at St. Joe) Spent four years with the Glee Club . . . from 1949 to 1953. Was vice-president of the Club in 1952 and President of the Club in 1953. Sure was not the best bass singer but certainly did enjoy singing under Father Heiman's direction.

(Since leaving St. Joe) After graduation the next four years were spent with the U. S. Air Force as a navigator. While in the Air Force, in 1954, I married Miss Shirley Diekemper from Monroe, Michigan. During our stay with the Air Force two junior navigators joined us, Thomas Jr. in 1955 and Gregory Paul in 1957. In January, 1958, I began working with Arvin Industries, Inc., Columbus, Indiana as one of their Chief Inspectors. In 1959 I assumed the duties of a Plant Material Control position and effective the first of this month I joined the Arvin Purchasing Department. In 1948 Ronald Mark joined up with his two older brothers and in December of 1959 Cynthia Ann blessed the Van Acker household.

. . . . . Things here are coming along fine. I will make my final promises this September and then I will be on my last three years till Ordination. I am counting on your prayers to help me along this trail, and I promise that I will keep you in mind as we go along.

I hope that you had a successful year at St. Joe's. That college is fast becoming a leader in the Catholic academic world. Frankly I am very proud to have attended the college.

## St. Joe Benefactor Dies

Dr. Bohumir Kryl, honorary alumnus, famous bandmaster and benefactor of Saint Joseph's College, died August 9 in his Lake Placid (New York) summer home.

Dr. Kryl was a one time cornetist for the John Philip Sousa Band; and for more than 30 years, toured the country with his own band. Dr. Kryl was the first president of the First National Bank of Berwyn and a noted art collector.

In July of this year, Kryl presented to Saint Joseph's College the famous Giovanni Bellini masterpiece "Virgin and Child." The painting valued at \$350,000 and now is presently displayed in the College library. This is just one of the many paintings given to St. Joseph's by Dr. Kryl.

## S.J.C. Calumet Center Publishes Paper

"Shavings," the weekly student publication of Saint Joseph's College Calumet Center, will go to a printed format with the beginning of the 1961-62 fall term, Rev. Joseph Smolar, dean of students, announced. The student newspaper had been mimeographed since it was established last fall.

John W. Swanke, instructor in philosophy and faculty adviser to the staff of "Shavings," said 32 weekly issues of the newspaper will be published during the school year. He said a staff will be selected with the opening of school. Publication will be on Monday of each week, Swanke explained.

Joseph J. Parot, Saint Joseph's College underclassman from Hammond, is editor of "Shavings."

The Student newspaper was founded early in the 1960-61 school year shortly after Saint Joseph's College initiated its four-year degree-granting program.

## St. Joseph Alumni Name Committees

Chairmen and members of six committees were appointed at an organizational meeting of a Lafayette chapter of St. Joseph College Alumni at the cottage of William Lamb, October 3.

Guests from St. Joseph College at the meeting, attended by 17 area alumni, were Rev. William Shields, director of recruitment; Rev. William Eilerman, college treasurer; Richard Scharf, athletic director, and Jack Richert, alumni director.

Warren Freeman, newly appointed to the Constitutional Committee, will be contacting prospective members from Case, Carroll, Clinton, Warren, and Montgomery counties to attempt the formation of a new Chapter, possibly the Lafayette-Logansport Chapter. This Lafayette Chapter is also considering expanding to include all adjoining centers to the Tippecanoe County.

Committee appointments made consisted of Warren Freeman, Thomas Morrissey, with Jacob Wilz as chairman of the Constitutional Committee; John Thieme, Joseph Faulkner, and Jacob Wilz as chairman of the Athletic Committee; Dr. August Enz, C. Dean Hayden, and Gerald Shaffer as chairman of the Admission Committee; John Thieme, Dr. August Enz, and Warren Freeman, chairman of the Nomination Committee; Warren Freeman of the Membership Committee; and C. Dean Hayden of the Publicity Committee.

## Chicago Parents Donate Timeclock

Because of the kind generosity of the Chicago Parents' Club, the football scoreboard has a new electrical timeclock.

The Coca Cola Bottling Company contributed the board itself and the actual labor was done by Thomas Hoyes and Brother Joseph.

The Alumni would like to thank the Chicago Parents for this fine addition to an ever-developing St. Joseph's College.

20 YEARS AGO

Alumni days, June 15 and 16, attracted one hundred and seventy-seven former students to the campus.

A landmark disappeared from the campus this summer; the baseball grandstand was torn down.

## Qubeck Named President of NCBA

The National Catholic Bandmasters' Association elected Mr. Bernard E. Qubeck as President of the NCBA at their final session of the national convention.

Mr. Bernard E. Qubeck is assistant professor of music at Saint Joseph's College.

Qubeck is known nationally for his great efforts in behalf of Catholic Music and Catholic Bands. He achieved great success in his NCBA service as National Convention Chairman, Delegate to the White House Conference on Children and Youth as well as Administrative Director of the National Catholic Music Educator's Instrumental Workshop held for the second summer on the campus of Saint Joseph's College. He is also District Director of the Indiana Governor's Youth Council as well as a member representative to the National Committee on Children and Youth, which meets in Washington, D.C., twice a year at the call of President Kennedy.

One of the first official actions of Mr. Qubeck as President of the NCBA was to bring to the campus of Saint Joseph's College the NCBA sponsored Summer Band Camp. The camp this year will be held during the week of August 13-20, 1962. The camp has been in operation on the campus of the University of Notre Dame since the summer of 1953.

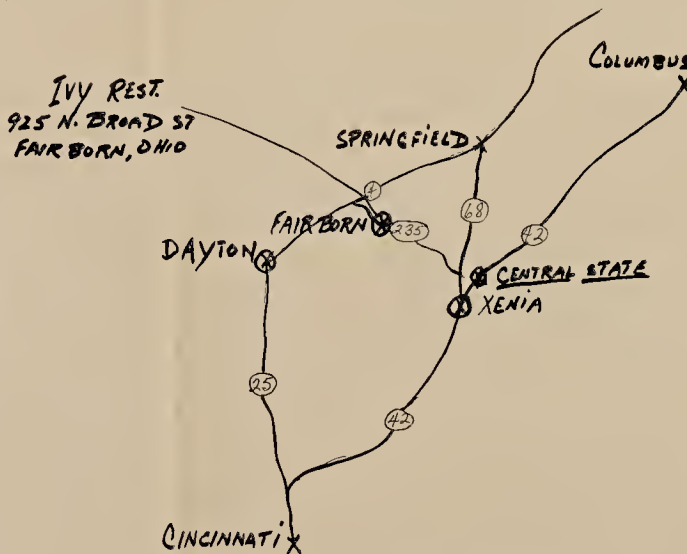

Qubeck is married and makes his home with his wife and ten children on the 25 acre site of the College Community Association called "Marywood" located south of the College Campus. He is one of the founders of the association and on the Board of Directors.

## Peru In '62

In answer to the Pope's urgent request that Priests be sent to South America, the Precious Blood Fathers are going to take over the Chincha province in the Diocese of Ica which stretches along the Pacific Coast of Peru. This move is scheduled to take place in September of 1962.

It is felt that Latin American Church must be augmented to a great degree by American Priests or it will fall prey to Communism. For instance, the Bishop of Ica has 250,000 Catholics under his jurisdiction with only seventeen Priests. Many of the Spanish constructed churches are standing idle with no Priests to care for them. Ten million Catholics populate Peru with just a handful of Priests to care for them.

At the present time, the Precious Blood Fathers have twenty-five Priests working in the Archdiocese of Santiago in Chile. They have been helping in Chile since 1948.
